Work Experience

TechMihirNaik Group | FrontEndDeveloper Intern

May'2023 - July'2023

- **Contributed to a 70% growth in Service Box** by leveraging strong teamwork and frontend development skills to enhance the platform's user experience and functionality.
- **Designed and developed the company's website**, ensuring seamless end-to-end communication between users and the platform. Focused on improving accessibility, performance, and user engagement.
- **Utilized HTML, CSS, and JavaScript** to create a visually appealing, responsive, and interactive user interface, enhancing the website's usability across various devices and screen sizes.

PuratTechnologies | FrontEndDeveloper

June'2024 - Dec'2024

- **Developed and integrated key components** for a live project, including:
 - **Manage Clients Template** – Streamlined client management with an intuitive interface.
 - **Broadcasting Template Design** – Created customizable templates for content distribution.
 - **User Profile Section** – Enabled users to update profiles and manage preferences.
 - **File Manager, Support Tickets, URL Shortener & Dashboard UI** – Built essential tools for file handling, issue tracking, and user interaction.
 - **Integrated APIs** for seamless data communication and enhanced functionality.
